Elena,

Our National Contact at Tyler Technology has confirmed this is contract compliant pricing. The software has been discounted at 21% which exceeds the discounts on the contract.

Thank you,

Michelle

* Tyler will discount then-current software license pricing by 10% and then current SaaS fees for the initial contracted term. Tyler’s Socrata SaaS product offerings fees will be discounted by 5% for the initial contracted term. This discount does not extend to services pricing, (implementation focused training, project management, product development, or service subscriptions) software maintenance costs, or hardware. This product listing can expand with additional products that are developed by Tyler and within the solicitation scope.
