

NOTICE OF LIMITS
FOR
FY 2023 STATE AND LOCAL OVERTIME REIMBURSEMENTS

Subject to the availability of funding and legislative authorization, the FBI may reimburse state and local law enforcement agencies (LEA) for the cost of overtime incurred by officers assigned **full-time** to FBI-managed task forces provided the overtime expenses were incurred as a result of task force-related activities. Consistent with regulation and policy, a separate Cost Reimbursement Agreement (CRA) must be executed between the FBI and the LEA, **and** an underlying Memorandum of Understanding (MOU) must exist in support of the task force relationship.

For **fiscal year 2023**, the maximum limits for reimbursements under these CRAs are **\$1,653.39** per month and **\$19,840.75** per year for each officer assigned **full-time** to the task force. These limits are effective for overtime worked on or after October 1, 2022.

These reimbursements are limited to eligible officers' direct overtime salary expenses and shall not include any costs associated with the LEA's indirect expenses or officers' benefits such as retirement, social security, and similar related expenses.

FBI field offices and state and local law enforcement agencies may process overtime reimbursement requests under formally executed CRAs in accordance with the authority of this notice. This notice is issued unilaterally by the FBI's Budget Officer and does not require formal acceptance and signature by FBI field offices and state and local law enforcement agencies.

This notice does **not** represent an authorization to obligate or expend funds. The actual amount of overtime expenses that can and should be approved for each task force officer is also dependent upon the availability of funding and operational necessity.
