Good morning, David,

I sent the attached email to Dr. Culbertson and Mr. Cabeza de Vaca yesterday. If you would like to hire an instructor directly, you would need to go through whatever Hidalgo County's process is to hire a part-time casual employee. As mentioned in the email, this is a great way to spend down your funds and ensure you are meeting metrics. You would then invoice us those costs as part of the SNAP-Ed grant – the way you always invoice us for costs incurred by the Tu Salud Si Cuenta program. Please let me know if you have more questions, or if we need to jump on a phone call.

Thanks,

Amanda

Subject: HC SNAP-Ed Budget: Casual Instructors

Good morning, Dr. Culbertson & Mr. Cabeza de Vaca,

Friendly reminder that you are able to use your funds to hire casual instructors for your TSSC exercise classes. We have identified at least one instructor, Juany Pérez, who has been in communication with Maricela to host classes in Precinct 1.

Hiring instructors directly would not only help you spend down funds, but it will also help you achieve your metrics. Let us know if you have any questions.

Thank you,
Amanda
