RE: PROGRESS REPORT

Activities at the RVGMPO for the month of September 2022

Work Authorization No. 1 Contract No.

Dear Mr. Guerra:

Attached is our invoice for this billing period. The following tasks were accomplished during this billing period.

RGVMPO TAC & POLICY MEETINGS

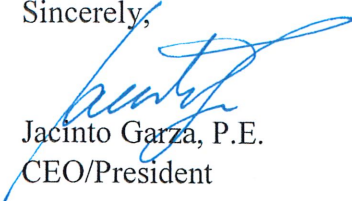

- L&G Engineering staff attended the RGVMPO TAC meeting on 9-8-2022 and the Policy meeting on 9-28-2022.

TASKS PERFORMED THIS MONTH:

- During the TAC meeting held on 9-8-2022, the TAC was not able to reach an agreement on how the additional CAT 7 funds should be distributed within Hidalgo County and Cities and the item was tabled. L&G Engineering staff developed alternative possible solutions for equitable distribution of CAT 7 funds and presented them to Hidalgo County for further discussion with TXDOT and RGVMPO staff. The alternative solution, if approved, would benefit the Hidalgo County project as well as the City of Mission project.
- Project coordination meetings were held between L&G Engineering staff and the City of Mission and Hidalgo County officials to discuss the next step for the development of other options for the distribution of funds.
- L&G Engineering staff continues to coordinate and respond to any questions or concerns regarding this topic.

Should you have questions, please do not hesitate to give me a call at 956-565-9813.

Sincerely,

Jacinto Garza, P.E.
CEO/President
