Thank you for the information, Khenly! We will start working on it. If I have any questions, I will reach out to you.

Best regards,

Good afternoon Clarissa,

It was great getting to meet you at the CHEPR PHEP meeting. As we previously discussed, Hidalgo County will need to be a part of the 2023 cycle in order to re-certify its recognition. Your intent to apply form (ITA) with the first half of your payment (\$1,250) is due October 31st.

Here is the link where you can find the ITA re-recognition form. [Project Public Health Ready \(PPHR\) - NACCHO](#)

Locate Current Cohort > Re-Recognition Criteria > Intent to Apply form > Re-recognition form. You will need to create a NACCHO account if you do not have one. Once you have submitted your ITA to NACCHO, please let me know and I will confirm its receipt with their PPHR team.

In the meantime please do not hesitate to ask any questions or let me know if you have any issues setting up your account/form. Again, it was great getting to meet you!

Thanks,

Khenley Harvell, MPA
