I have a concern on Section 7 whereas the installment payments will be made yearly on December 31st. Section 9 states that they shall provide the final report by December 31, 2026. The second sentence states that "Once documentation is received, the first of three (3) payments will be provided upon final review and approval". Could we please move this sentence to Section 7 since we have to make certain the the expenditures have been made and/or incurred and whether they are eligible.

Thank you.
