Good afternoon,

Dr. Etienne has been diligently working on trying to get the insurance amount required by Hidalgo County. I have been present when he has called a few companies who have told him in essence that either they no longer provide coverage for detention facilities, no longer provide the amount required or they will provide the insurance however at a lesser amount.

Dr. Etienne has gone above and beyond in his care for our juveniles housed in detention and at the boot camp. He has developed an excellent rapport with the staff and the kids which is of the utmost importance to the department.

Dr. Mireles, when serving as our physician prior to Dr. Etienne, was not reliable nor communicative with our department which for this population is a must.

Please contact me if you need more information.

Sincerely,

Maryann Denner, MSCJ
