DEBTBOOK

<https://www.debtbook.com> (<https://www.debtbook.com>)

OVERVIEW

DebtBook is powerful, cloud-based debt and lease management software for finance teams in local government, higher education, and healthcare. Our software helps these teams manage their debt and leases in the cloud, driving efficiency, collaboration, transparency, and informed decision-making within their organizations. Built by the industry and for the industry, DebtBook enables organizations to easily implement new lease accounting standards, such as GASB-87, and maintain ongoing compliance.
