Good afternoon Monica,

I do not know if you remember our conversation about the \$7,500 (emergency/expedited fee) on the attached invoice. I need some kind of backup of who approved this invoice, it could be in an email. Also, was this invoice approved by the Commissioner's Court? I was not able to find an AI. If you take a look at the agreement the invoice needs Commissioner's Court approval.

Please keep me posted.

Thank you,

Rocio Garcia
