Project Description:

Hidalgo County Precinct 2 is planning on making improvements to Lopezville Park located at 507 W. Minnesota Road, San Juan, Tx. 78589, this project will directly benefit underserved communities, and those living in, near and around QCT areas. The improvements will consist of the addition of inclusive playscapes, soccer fields, basketball courts, walking trails, and a fishing pond, making the Lopezville park a multi-purpose recreational space for all ages. The project will improve the accessibility and function of Lopezville Park to constituents living in, near, and around Qualified Census Tract (QCT) areas. The improvements to the park have been designed to benefit the health and well-being of the most vulnerable populations, including residents that reside in QCT areas. Additionally, the park will be expansive, allowing for safe enjoyment while maintaining social distance.

Need Assessment:

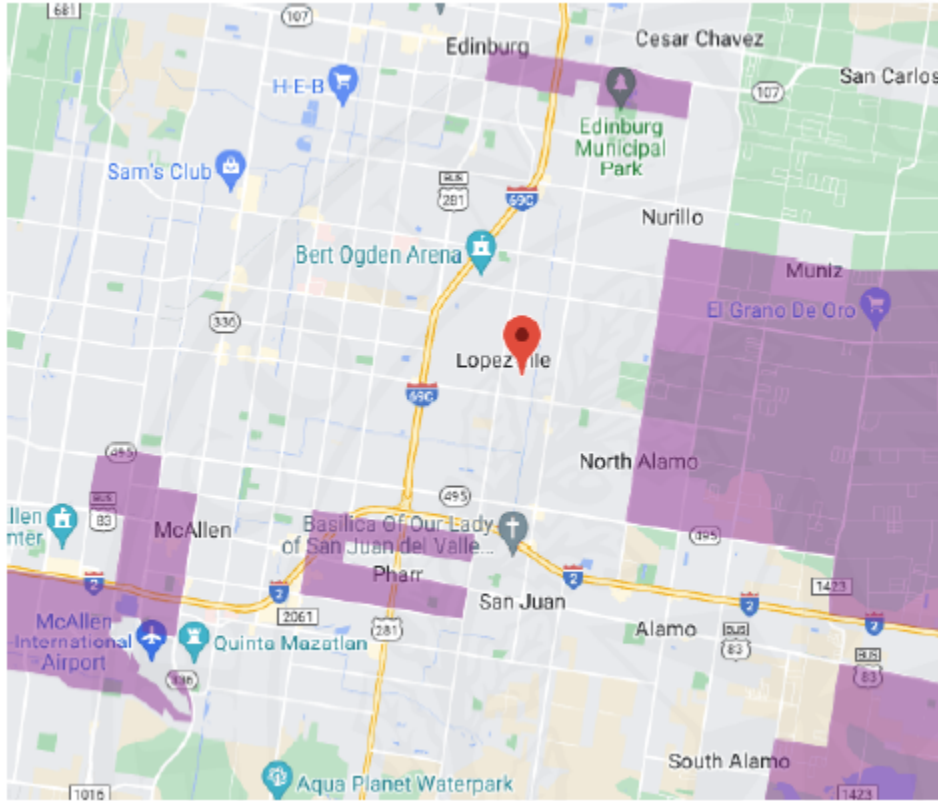

The purpose of the Hidalgo County Precinct 2 Lopezville Park Improvements Project is congruent with the overall objective of the Hidalgo County American Rescue Plan Act Recreational Development Program, which is to improve the accessibility and function of parks to constituents living in, near, and around Qualified Census Tract areas. Additionally, this project has the purpose of being responsive and committed to providing essential outdoor areas with the purpose of making our community a more desirable place to live, work, and play.

Fiscal Impact:

Estimated Budget: ~~\$1,000,000.00~~

Updated Budget: \$975,000.00
