Greetings,

I have reached out to Service Wing Organic Solutions LLC Representative Shelby Fuss for a price quote for the cleaning equipment that was requested by the Detention Center. I requested a trouble free system (turnkey) to include maintenance and warranty. This system will supply 600 gallons a day of cleaning agent, if need be to fully cover all areas of the Detention Center to include administration areas. This company is a Solve Source Company and is not aligned with any cooperative contracts. Please see below for the equipment and turnkey pricing:

1. Service Wing Anolyste System - \$49,500.00
 2. 500 Gallon Storage Tank - \$900.00
 3. Dispensing Pump - \$850.00
 4. Battery Powered Backpack Sprayer - \$495.00
 5. Handheld-Sprayer - \$64.95
 6. Maintenance Agreement (annually) - \$6,825.00
- Start up cost - \$58,634.95 with a yearly recurring cost of \$6,825.00 for warranty/maintenance.
(equipment is proprietary so no one else can work on) I highly suggest we get the maintenance agreement.

Note: We would have to self provide water softener pellets for this system.
