

January 31, 2023

Good morning Rosie,

Due to system issue, we are unable to print the extension report.

Please accept this screenshot reflecting the "Current Extension date of 3/31/2023" as support for your grant extension approval. Once the software has been updated, the normal printout will be forwarded.

The screenshot displays the 'FINANCIAL MANAGEMENT SYSTEM' interface. At the top, there is a navigation menu with 'Home', 'Requests', 'Approvals', 'Reports', 'Award Letters', and 'Utilities'. The current date is 'Tuesday, January 31st, 2023'. The main section is titled 'Extension Request' and contains the following information:

HIDTA	South Texas	Retrieve
Award Recipient	Hidalgo County Auditor's O	Save
Grant	G20SS0002A	

Below this, the award details are shown:

Award start date:	01/01/2020	Current extension date:	03/31/2023

		Current Balance as of 1/31/2023:	\$50,768.59

There is a section for 'Enter Request Details' with a 'Requested End Date' field and a 'Justification for Request' text area. A note indicates '1500 characters remaining'.
