Project Description:

Boys and Girls Club of Edinburg Rio Grande Valley Legacy Center, located at 702 Cullen St, Edinburg, TX, is a non-profit organization that provides services that promote and sustain mental, emotional and physical health for children to become responsible citizens and leaders. Such services empower youth to develop skills that will support and influence community development. Hidalgo County will provide financial assistance due to decreased revenues and contributions. This will ensure that vital community services continue and that a safe and nurturing environment is provided in response to the ongoing COVID-19 public health emergency.

The interim final rule provided for, and the final rule maintains, the ability for recipients to provide direct assistance to nonprofits that experienced public health or negative economic impacts of the pandemic. Specifically, recipients may provide direct assistance to nonprofits if the nonprofit has experienced a public health or negative economic impact as a result of the pandemic.¹ In the final rule, to further decrease administrative burden and enhance recipient flexibility, Treasury is allowing recipients to also presume that low-income households were disproportionately impacted.²
