

Hidalgo County • Department of Budget & Management
American Rescue Plan Act 2021

Project Description

Project Name:

Hidalgo County Precinct 3 Mayberry to Glasscock Road Stormwater Project

Project Number:

ARPA-22-123-134

Program Name:

Hidalgo County American Rescue Plan Act Stormwater System Improvement Program

Department Name:

Hidalgo County Precinct 3

ARPA Expenditure Category:

5: Infrastructure

ARPA Eligibility Category:

5.6: Clean Water: Stormwater

Project Description:

The stormwater improvements will assist in addressing and improving stormwater infrastructure from Glasscock Rd. to Mayberry Rd. on Mile 7 1/2. The project will be in collaboration with the Drainage District, the City of Mcallen, and Hidalgo County Precinct 3. The project will address the inadequate stormwater systems that cause flooding, the spread of diseases, and eroded roads during the rainy season thereby increasing community quality of life.

Water, sewer, and broadband infrastructure all involve the provision of essential services to residents, businesses, and other consumers. As the pandemic has made clear, access to broadband has itself become essential for individuals and businesses to participate in education, commerce, work, and civic matters and to receive health care and social services.¹ The Treasury states that CWSRF includes a broad range of stormwater infrastructure projects, and as such these projects were eligible under the interim final rule and continue to be eligible under the final rule. These projects include gray infrastructure projects, such as traditional pipe, storage, and treatment systems. Projects that manage, reduce, treat, or recapture stormwater or subsurface drainage water are also eligible, including real-time control systems for combined sewer overflow management, and sediment control.²

Fiscal Impact:

Estimated Budget: \$ 1,165,432.46
