Good afternoon,

We were awarded the NACCHO scholarship we had applied for back in January. Please let me know if there's anything needed from my end. Thank you!

Subject: CIC Scholarship Application

To:

Cc: Infectious Diseases <ldiseases@naccho.org>

Dear Colleagues,

Congratulations! NACCHO is pleased to inform you that your organization has been selected to receive a scholarship to support local health department staff certification in infection control.

Through this scholarship, you may request reimbursement for up to \$2,500 for your health department for expenses incurred between today's date and June 30, 2023. Reimbursable costs include registration for the exam, reference books and other study materials, practice exam costs, membership fees for the Association for Professionals in Infection Control and Epidemiology (APIC), and registration and associated travel costs for trainings or courses to prepare for the exam.

Note: If those

trainings or courses are conducted through a university, additional documentation will be required.

If you wish to accept this scholarship opportunity,

please complete the attached [Acceptance of Award form](#) and submit it in response to this email by **5:00 PM ET on Friday, March 17, 2023**.

Accepting this opportunity entails your agreement to provide feedback on the certification process and demonstrated impact of certification to NACCHO to inform future project activities supporting local health departments in infection prevention and control. If you are unable to accept the award, please let us know immediately so another site may be selected instead.

We have created a community on [NACCHO's](#)

[Virtual Communities Platform](#) that we encourage you to join to discuss with other local health departments any questions or challenges that come up as you prepare for the exam, and to ask questions of NACCHO staff about the reimbursement process (and see already asked and answered questions). You will need your (free) MyNACCHO login to access the community, and once you are logged in, you can search for [CIC](#)

[Scholarship Community](#).

See attached for a guide to Virtual Communities that can address any questions you may have.

Congratulations again, and we look forward to working with you! Thank you for your patience as we reviewed the applications, there was a high level of interest in this opportunity. If you have any questions, please do not hesitate to contact us.

Regards,

NACCHO's Emerging Infectious Disease Team
