=====

PLUS APPLICABLE TAXES

1. Commercial service shall require a one-month deposit before delivery; brush collection services are not included with commercial services but are available through special pick up services.
2. All invoices are due on due date stated on corresponding City of Edinburg billing statement.
3. It shall be considered an offense for any item to be placed in commercial containers that, because of size, weight, or any other physical property, could cause damage to the collection vehicle. These items include, but are not limited to, any one item over three feet in any dimension, any one item in excess of 50 pounds, any concrete, bricks, dirt, blocks, or other earthen material, boards (over three feet long), pallets, timbers, and the like. These items shall be placed in a roll-off container for disposal.
4. Tires will not be accepted. If tires are collected undetected, the customer will be charged \$5.00 per tire. Trash outside container will not be picked up. All collection bins must be made available for service and free from all obstructions - dumpster enclosure doors should be open and bins should be placed in proper location on assigned collection days.
5. By signing this agreement, the undersigned acknowledges and agrees to the terms and conditions described on this agreement and all applicable City of Edinburg ordinances for services.
