

Hidalgo County • Department of Budget & Management

American Rescue Plan Act 2021

Project Description

Project Name:

ARPA Countywide Professional Consulting Services and Project Management Support

Project Number:

ARPA-23-115-330

Department Name:

Countywide

ARPA Expenditure Category:

7: Administrative

ARPA Eligibility Category:

7.1: Administrative Expenses

Project Description:

The ARPA Countywide Consultant will assist Hidalgo County departments with the administrative duties of their ARPA projects. The consultant agency will provide guidance and analysis with eligibility determinations of proposed ARPA projects in alignment with compliance documents, reporting requirements, and third party contracts for those parties receiving funds from the County. The consultant agency will be responsible for ensuring that each project is maintained, responsive, and expended on qualifying issues to support their efficacy to and recovery from the COVID-19 public health emergency. This agency would administer the ARPA projects countywide, on an as needed basis, including but not limited to expenditures under Public Health, Negative Economic Impacts, Services to Disproportionately Impacted Communities, Premium Pay, Infrastructure, Revenue Replacement, and other Administrative services as needed. Any other ARPA allowable expenditures and/or categories subsequently added by the federal government may be administered as well.

Following release of the interim final rule, Treasury issued Compliance and Reporting Guidance that provided that “recipients may use funds for administering the SLFRF program, including costs of consultants to support effective management and oversight, including consultation for ensuring compliance with legal, regulatory, and other requirements...”¹ In the final rule, Treasury is clarifying that direct and indirect administrative expenses are permissible uses of SLFRF funds and are a separate eligible use category from “expenses to improve efficacy of public health or economic relief programs,” which refers to efforts to improve the effectiveness
