**Note:** No co-pay may be charged for a household whose income is below 100 percent of the FPL.

If a client self-declares an inability to pay, the contractor must not charge a co-pay; no client may be denied services based on an inability to pay. If a co-pay is charged, it may not exceed \$30 or the cost of the visit or encounter, whichever is less. The FPL is calculated and published each calendar year at [Poverty Guidelines](https://aspe.hhs.gov/poverty-guidelines) (<https://aspe.hhs.gov/poverty-guidelines>).
