Our office has reviewed the proposed RGV TAG Equipment Transfer MOU and approves the form of the agreement. Please ensure that Command Staff is aware of the requisite state and federal standards that must be adhered to in order for the HCSO to be eligible to participate in the Equipment Sharing process.

Let me know if you have any questions or concerns.

Greetings,

Please find attached herewith the following document: ***City of McAllen RGV TAG – Transfer of Equipment Purchased With Grant Funds Memorandum of Understanding (MOU) and Policy Between the Constituent Agencies of the Texas Anti-Gang (TAG Center Rio Grande Valley.***

This document was prepared with guidance from the Governor's Public Safety Office and was emailed to you during the DRAFT stages for your review an input.

This MOU was considered and approved by the City Commission of the City of McAllen at its regular meeting last night.

We will require use of this MOU to transfer equipment to your agencies. At this point, that equipment includes mobile command unit, armored units, and LPR units.

Therefore, once the equipment that will be transferred to your agencies is specifically identified, listed and inventoried, this MOU will require your agency's and governing board (City/County Commission) approval and signatories.

Once again, thanks for your assistance.
