Linn-San Manuel Community Improvement Corporation

P.O. Box 345
Linn, TX 78563

Dear Zulema Garcia,

The Linn-San Manuel Community Improvement Corporation is happy to have purchased and donated a batting cage for Brewster School to be placed at Veterans Park in the Linn/San Manuel area. The batting cage will consist of a batting tunnel frame, netting that covers the frame, and a vinyl backdrop with a target on it. The batting cage dimensions are 55x14x14. The cost of the batting cage and delivery was \$3651.17 which the LSMCIC purchased. It is to be used by Brewster school and the students during school hours and will be open to the public for use when the park is open to the public. In addition to the batting cage, LSMCIC is donating the conex that is currently located on Brewster school property to be moved to Veterans Park in Linn/San Manuel and placed behind the concession stand. The Conex will be used by Brewster School during school events and to store equipment for the park when needed. The dimensions of the conex are 20x8x8 and is valued at \$2,500. Please let me know if you have any questions or concerns.

Sincerely,

Justin Cappadona
