

## Project Description

**Project Name:**

Hidalgo County Property Insurance Coverage

**Project Number:**

ARPA-23-125-334

**Department Name:**

Executive Office

**ARPA Expenditure Category:**

6: Revenue Replacement

**ARPA Eligibility Category:**

6.1: Provision of Government Services

**Project Description:**

The Hidalgo County Property Insurance Coverage Project will include various county owned buildings that have been acquired and/or improved through retrofitting, renovation, and other improvements. This provision will protect critical infrastructure in the event of unforeseen circumstances and serve as a financial safeguard for property damages, losses and replacements in accordance with risk management. The acquisition of property insurance is in alignment with the Code of Federal Regulations (CFR) §200.310 - *Insurance Coverage will provide the equivalent insurance coverage for real property and equipment acquired or imported with Federal Funds as provided to property owned by the non-Federal entity.*

Importantly, this includes 2 CFR part 200 Subpart D on post-federal award requirements, including property standards pertaining to insurance coverage, real property, and equipment; procurement standards; sub-recipient monitoring and management; and record retention and access.<sup>1</sup> Further, as with all other uses of funds under the SLFRF program, the Uniform Guidance at 2 CFR part 200 applies to capital expenditures unless stated otherwise. Treasury continues to believe that the lists of activities that either are or are not providing government services are accurate but is clarifying here that, generally speaking, services provided by the recipient governments are “government services” under the interim final rule and final rule, unless Treasury has stated otherwise. Government services include, but are not
