SUBCONTRACTOR:

Machinery Auctioneers is locally owned and operated by hard-working, enthusiastic professionals. Our dedication and core values provide a top-notch buying and selling experience, making the entire process easy for both our buyers and sellers. Our professionals have decades of experience in sales, auctions and live event promotions. We have what it takes to help in all your buying and selling needs. We're proud to offer an unsurpassed level of attention and a personal touch to this business that no one else can. Machinery Auctioneers was founded in 2010 with gross sales of \$500,000 annually to over \$60 Million per year in gross sales in 2018.

Machinery Auctioneers is built on honesty, reliability, ingenuity and plain old common sense. Our business is about you. We under promise but always over deliver. When we shake your hand we know your name. Machinery Auctioneers is not just an auction company, as we consult and advise many customers on what and when to sell. Machinery Auctioneers would rather see a customer hold on than see the marketplace take advantage of them. We are here for the long haul with our customers, not just today, but for a long time to come. See you at one of our next heavy equipment, semi truck, trailer, or oilfield equipment events.

A PROVEN TRACK RECORD

Through our staff, we have conducted business liquidations for local and out of state lenders, bankruptcy courts, law firms, corporations and for the private sector.

OUR CLIENTS ARE NAMES, NOT JUST NUMBERS

We have worked hard to build our business through relationships and not transactions. We pride ourselves in doing business with a name and a handshake and not just a number.
