Victor

if you are agreeing to all the individual proposals then this would be compliant.

While TIPS does all that it can to comply with and exceed the bidding requirements for most public entities, because the laws applicable vary by entity-type, location, spend amount, purchase type, and the purchaser's local policies, TIPS cannot legally advise any Member/End-User when a TIPS purchase is appropriate. It is always up to the Member/End-User to review our processes and determine if we meet their needs for any particular purchase or entity.
