Hello Monica,

Thank you for sharing the great news, we look forward to attending next week on the 22<sup>nd</sup>!

Regarding the adjusted amount of \$36,500 as opposed to the previously expected \$46,500, the shift can be attributed to securing four contributors for the local match, exceeding the original count of three. Consequently, the local match sum is below the initial request made last year.

At present, we are pleased to report that all four local government match contributors have confirmed our placement on their agendas for August/ September 2023, ensuring that we will secure the necessary amount to fulfill the 20% local match requirement for the award. Should there be any changes, we will promptly inform Hidalgo County and consider appropriate actions. As of now, our focus remains on obtaining the \$36,500 specified in the MOU.

I hope this helps, Let me know if you have further questions. I am more than happy to schedule a quick call if needed.

Once again, thank you for the update, and we are looking forward to participating in the upcoming meeting.

Best,

Javier Dominguez Jr.
