SITE VISIT DATE 7/29/23
PROJECT # 2203 | Davis Collection Station
REPORT NO. Report No. 2372801

Dear Mr. Perez,

Our firm performed a site visit to the above referenced project on 7/28/23. Below is a list of items that need to be corrected and enclosed are photographic exhibits. Please forward this report to the contractor for their information, and feel free to contact my office with any questions or comments.

This report is carried out in accordance with the General Conditions of the Contract for Construction and does not imply that the Engineer has made exhaustive or continuous on-site inspections. This report does not relieve the Contractor of responsibility from performing inspections on portions of the work to determine that such portions are in proper condition to receive subsequent work. Omission of nonconforming items within this report does not imply that the Engineer accepts work not in conformance with the Contract Documents.

Items Requiring Correction	Date Item Corrected
