Good morning Pedro,

Please find attached the COI for Hidalgo County. Also, our legal department let me know the following regarding Tyler's exemption clause for the 1295 Form requirement.

"The January 1, 2016 legislation was amended in 2017 to allow for several new exceptions to the 1295 requirement, including contracts entered with a publicly traded company, such as Tyler Technologies, Inc. Per subsection (c)(4) as amended by Acts 2017, 85th R.S., Ch. 526 (SB 255), Tyler Technologies is a publicly traded company and is not required to provide a Form 1295."

Please let me know if you have any questions or need anything additional.

Have a great day! 😊
