

## Project Description

**Project Name:**

Hidalgo County Precinct 4 Colonia Tejana Stormwater Project

**Project Number:**

ARPA-22-124-065

**Program:**

Hidalgo County Precinct 4 Colonia Tejana Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

**Precinct/Department Name:**

Hidalgo County Precinct 4

**ARPA Expenditure Category:**

5. Instructure

**ARPA Eligibility Category:**

5.6 Clean Water: Stormwater

**Project Description:**

The Hidalgo County Precinct 4 Colonia Tejana Stormwater Project will reduce stormwater for the 83rd to 87th St. subdivision. The project is located on the southside of SH 107 and North of Tex Mex Rd. between S. 83rd St. and S. 87th St. This project consists of a pipe network with inlets improvements and swale grading that will tie into an existing 60-in High-Performance Polypropylene (HPP) that runs along 87th St.

As per the Interim Final Rule, recipients are able to use ARPA relief funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

**Fiscal Impact**

Estimated Budget: \$645,719.00
