Victor:

Good morning, I hope this email finds you well.

The attached is a standard credit application for a vendor which I procured for purchase of equipment. The purchase has already been approved by HC Court agenda. However, the vendor neglected to inform us that this was a necessary process for the actual Purchase Order to be accepted and product to be shipped. Please see the agenda attached with the documents that I must submit for consent agenda submission as per the Purchasing Department's recommendation.
