Prior year agreement spending, if any:

Please provide a brief explanation on how the initial funding amount was determined, if other factors were considered:

This Agreement is between the above-named State & Local Law Enforcement Organization and the Organized Crime Drug Enforcement Task Forces (OCDETF) Program. This Agreement shall be effective when signed by State & Local Law Enforcement Organization official who has supervisory authority over, and is authorized to assign, the participating Law Enforcement Officers to the OCDETF investigation or Strategic Initiative; the Sponsoring Federal Agency Special Agent in Charge (SAC), or designee, of the sponsoring Federal Agency field office where the State & Local Officers will be working; the sponsoring Agency Regional OCDETF Coordinator; the Regional OCDETF Director; and the OCDETF Executive Office.

1. It is agreed that the State & Local Law Enforcement officers named on this Agreement will assist in OCDETF Investigations, Strategic Initiatives and prosecutions as set forth in the Organized Crime Drug Enforcement Task Forces State & Local Overtime and Authorized Expense/Strategic Initiative Programs, Policies and Procedures Manual, Fiscal Year 2024.
2. No individual Agreement with a State & Local Organization may exceed \$25,000; and the cumulative amount of OCDETF State & Local overtime monies that may be expended on a single OCDETF investigation within a single fiscal year may not exceed \$50,000 without express prior approval from the OCDETF Executive Office. The OCDETF EXO will entertain requests to exceed these funding levels; however, there will be increased scrutiny from management pursuant to levels of funding requested. To receive approval to exceed this level of funding, a Cap Waiver Request Form approved by the Regional Director, must be sent to the to the OCDETF Internal Auditor and OCDETF Budget Mailbox (ocdetf.budget.mailbox@usdoj.gov).
3. Each Reimbursable Agreement will be allowed no more than five (5) modifications per year. If the funds for a particular Agreement are completely deobligated with the intention of closing the Agreement, it will not count as a modification for purposes of this policy. No increase modifications should be submitted if there are no bills entered on the Agreement in MIS. These amendments or changes must be submitted as a Modification Memo, signed by the Regional OCDETF Director, or designee, and sent to the OCDETF EXO in a timely manner not to exceed thirty (30) days. The signed Modification Memo should be returned to the State & Local Organization, included in the region's State & Local agreement file, and be available upon request.
4. If an Agreement does not have a bill entered in MIS within ninety (90) days of the Agreement funding date (in MIS) or ninety (90) days between the last bill payment date (in MIS), the funds should be deobligated. [For example, if an Agreement is dated October 1st, and there is no activity by December 30th, the Agreement's funds should be deobligated.] The Regional Program Specialist Assistant/Program Specialist will routinely run 90-day inactivity reports from MIS to identify inactive Agreements eligible for deobligation. The OCDETF EXO will assist with monitoring aging Agreements. Furthermore, if a State & Local Organization determines there will be no additional work performed under a particular Agreement, a funding change notification (modification memo) identifying the amount to be deobligated should be submitted to the OCDETF EXO as soon as possible.
5. The State & Local Law Enforcement Organization agrees to provide experienced Law Enforcement officers who are identified in this Agreement to work on the specified OCDETF Investigation or Strategic Initiative. Any change in Law Enforcement officers assigned must be agreed to by all approving officials.
6. Officers who are not deputized shall possess no Law Enforcement authority other than that conferred by virtue of their position as a commissioned officer of their parent Agency.
7. Officers who are deputized may possess Federal Law Enforcement authority as specified by the Agency affording the deputation.

8. Any State & Local officers assigned to an OCDETF Investigation or Strategic Initiative in accordance with this Agreement are not considered Federal employees and do not take on the benefits of Federal employment by virtue of their participation in the Investigation or Strategic Initiative.
9. Officers assigned to OCDETF investigations or Strategic Initiatives are expected to work full-time (as defined by the State & Local Organization) on the investigation(s) or Strategic Initiative(s) to be paid overtime. To satisfy the “full-time” expectation, a Law Enforcement Officer should work forty (40) hours per week as defined by the State & Local Organization or eight (8) hours per day on a single, or multiple, OCDETF investigation(s) or Strategic Initiative(s). Any established exceptions or waivers to this definition shall be approved by the RCG and attached as an Addendum A to the Agreement. Officers not meeting the full-time expectation will not be reimbursed for overtime without an approved exception or waiver in the Addendum A. If the Addendum A allows for zero regular hours to be worked, it must also limit the number of overtime hours allowed in a billing month with zero regular hours (the limit established is up to the discretion of the RCG but should be explicitly mentioned in Addendum A if allowed).
10. The Reimbursement Request must be submitted to the Regional Coordination Group within thirty (30) days of the close of the month in which the overtime was worked. [For example, if overtime is incurred in May, the Reimbursement Request for the May overtime should be submitted to the Regional Coordination Group no later than June 30th.] Requests not submitted within this period, may not honored or paid.
11. Analysis of reimbursement claims by the Regional Coordination Group may result in a modification of the obligation of funds contained within this Agreement as well as the period covered. The Organization affected by any such modification will receive a memo notifying them of the changes.
12. Overtime payments, including all other non-OCDETF Federal sources (such as Safe Streets, HIDTA, IRS, ICE, FEMA, etc.) may not, on an annual per person basis, exceed 25% of the current approved Federal salary rate in effect at the time the overtime is performed. The State & Local Organization is responsible for ensuring that this annual payment is not exceeded. The OCDETF Program Specialist, or designee, will monitor these payments through MIS and communicate to the Federal Agency Regional OCDETF Coordinators, who provide status updates to any officer approaching the threshold.
13. The Overtime Log (page 2 of the Reimbursement Request) must be attached to the Reimbursement Request when submitting the monthly invoices. When completing the Overtime Log, each column must be completed with the totals reported at the bottom. The Overtime Log must include the officer’s name from the Agreement or Officer Modification Form, the number of regular hours worked, the number of overtime hours worked, the overtime rate, and the cumulative overtime total of each State & Local Officer on all federal cases such as HIDTA, Safe Streets, etc. Do not leave any columns blank; enter “0” for any columns with a non-applicable amount. The ‘Totals’ row of Columns A, B, D, and E must match the amounts listed on the Reimbursement Request. Additionally, the Reimbursement Request contains an officer’s Overtime Log for tracking individual officer’s hours. The column in the overtime log titled ‘Other Federal Overtime earned this Fiscal Year’ should be used to track other federal non-OCDETF cases (i.e., Safe Streets, HIDTA, IRS, ICE, FEMA, etc.) overtime hours earned in the fiscal year, so when combined with the officer’s total OCDETF overtime hours the individual officer’s total federal overtime hours can be tracked towards the 25% threshold.
14. Under no circumstances will the State & Local Organization charge any indirect costs for the administration or implementation of this Agreement.
15. The State & Local Law Enforcement Organization shall maintain paper or electronic records for a period of six (6) years. Accurate and complete records must account for all obligations and expenditures of funds under the agreement in accordance with generally accepted accounting principles to facilitate on-site auditing and inspection.

16. The RCG is also responsible for identifying and implementing any additional policy requirements for its specific region, as needed. Regional policies are documented in the Addendum B of approved Agreements. The agencies must adhere to these additional requirements unless they have written approval by the RCG for any exceptions to the regional policies.
17. The sponsoring Federal Agency considers DOJ as a sharing participant of any assets seized and forfeited for the investigation.
18. Fringe benefits (such as retirement, FICA, or other expenses) are NOT to be included in overtime payment. Auxiliary educational benefits are also NOT to be included in overtime payment. Reimbursement of overtime payment is based solely on the authorized overtime rate of each participating officer listed in the Agreement. Under no circumstances may a State & Local Law Enforcement Organization include any administrative fees for the processing of overtime. Additionally, officers are not eligible for reimbursement of compensation time earned in lieu of overtime payment. OCDETF will only reimburse an actual dollar (\$) amount paid to the officer for overtime worked, any additional benefit (including compensation time) will NOT be reimbursed.
19. The State & Local Law Enforcement Organization shall permit examination and auditing by representatives of OCDETF, the sponsoring Federal Agency, the U.S. Department of Justice, the Comptroller General of the United States, and/or any of their duly authorized agents and representatives, of all records, documents, accounts, invoices, receipts, or expenditures relating to this agreement. In addition, all such records and reports shall be maintained until all audits and examinations are completed and resolved, or for a period of six (6) years after termination of the agreement, whichever is later. Failure to provide proper documentation will limit State & Local Law Enforcement Organizations from receiving OCDETF funding in the future.
20. The State & Local Organization will comply with Title VI of the Civil Rights Act of 1964 and all requirements applicable to OCDETF Agreements pursuant to the regulations of the Department of Justice (see, 28 C.F.R. Part 42, Subparts C and G; 28 C.F.R. 50.3 (1991)) relating to discrimination on the grounds of race, color, sex, age, national origin, or handicap.
21. This Agreement may be terminated by any of the parties by written notice to the other parties ten (10) business days prior to termination. Billing for outstanding obligations shall be received by OCDETF within thirty (30) days of the notice of termination.
22. The Debt Collection Improvement Act of 1996 requires that most payments made by the Federal government, including vendor payments, must be made by electronic funds transfer (EFT). In accordance with the act, all OCDETF reimbursement payments will be issued via EFT. Participants are required to register in SAM.gov to receive reimbursements; registration information will be provided upon request. In certain circumstances the OCDETF Executive Office may make exceptions for Organizations that are unable to accept this form of payment, however, such Organizations must include written justification in the addendum of each new Agreement.

Addendum A

Definition of “Full-Time Participation” Exemption

The Southwest Region Coordination Group State and Local OVERTIME POLICY

For purposes of reimbursing OCDETF overtime claims, the following applies:

- 1. Work 40 hours per week on a single OCDETF investigation or multiple OCDETF investigations; or**
- 2. If the officer/agent is not assigned full time to a task force working exclusively OCDETF investigations, then the officer/agent is required to work 8 hours regular time in a given day toward the OCDETF investigation before claiming any overtime; or**
- 3. To accommodate exigent unforeseen circumstances when effective management of dedicated resources cannot handle a particular enforcement action, overtime hours incurred may be reimbursed without the officer/agent having worked an 8 hour shift dedicated to the investigation, provided that the officer/agent is diverted from normal shift work to accommodate the need at the request of a supervisor of a federal agency.**

Reimbursement under such circumstances will be limited to the overtime incurred in response to the unforeseen exigent circumstances, that is, when the enforcement action is complete, no additional overtime will be reimbursed without compliance with 1 or 2 above. Under no circumstances will more than 24 overtime hours per month per state/local entity be reimbursed under this provision. The federal agency supervising the enforcement action should notify the appropriate Regional Coordinator of the enforcement action and overtime hours incurred by the State and Local Department(s) promptly.

Exemptions will be considered on a case by case basis per individual incident. All approvals are subjected to the availability of funds.

A written justification for any waiver request where no regular hours were worked, under exceptions # 2 and #3, must be attached to each affected claim for reimbursement.

Any Other Exceptions or Justifications
