ARPA Eligibility Category:

6.1: Provision of Government Services

Project Description :

The Hidalgo County Adult Detention Facility Overtime Project will allocate ARPA Relief Funds to compensate for overtime hours directly related to maintaining a fully operational Hidalgo County Adult Detention Facility. Throughout the COVID-19 public health emergency, personnel shortages at the detention center have placed a strain on employees, therefore, in order to remain in compliance with Texas Jail Standards, overtime pay will be available to the following positions: Detention Officer, Sr. Detention Office (Corporal), and Detention Sergeant. The goal is to alleviate shift assignment burdens and retain employees as they continue to provide essential services during the public health emergency.

Treasury continues to believe that the lists of activities that either are or are not providing government services are accurate but is clarifying here that, generally speaking, services provided by the recipient governments are “government services” under the interim final rule and final rule, unless Treasury has stated otherwise. Government services include, but are not limited to,...the provision of police...and other public safety services.

Fiscal Impact:

Estimated budget: \$452,000.00
