**COST REIMBURSEMENT AGREEMENT
BETWEEN
THE FEDERAL BUREAU OF INVESTIGATION (FBI)
AND
HIDALGO COUNTY SHERIFF'S OFFICE (AGENCY)
TASK FORCE FILE # 281D-SA-C46020**

Pursuant to Congressional appropriations, the FBI receives authority to pay overtime for police officers assigned to the formalized Rio Grande Valley Safe Streets Violent Crime Task Force as set forth below for expenses necessary for detection, investigation, and prosecution of crimes against the United States. It is hereby agreed between the FBI and the Hidalgo County Sheriff's Office located at 711 El Cholo, Edinburg, Texas 78540 Taxpayer Identification Number: 74-6000717, Phone Number: 956-383-8114 that:

1) Commencing upon execution of this agreement, the FBI will, subject to availability of required funding, reimburse the agency for overtime payments made to the officers assigned full-time to the task force.

2) Requests for reimbursement will be made on a monthly basis and should be forwarded to the FBI Field Office as soon as practical after the first of the month which follows the month for which reimbursement is requested. Such requests should be forwarded by the Supervisor of the agency to the FBI Task Force Squad Supervisor and Special Agent in Charge for their review, approval, and processing for payment.

3) Overtime reimbursements will be made directly to the agency by the FBI. All overtime reimbursement payments are made by electronic fund transfer (EFT). An ACH Vendor/Miscellaneous Payment Enrollment Form must be on file with the FBI to facilitate EFT.

4) Overtime reimbursements will be calculated at the usual rate for which the individual officer's time would be compensated in the absence of this agreement. However, said reimbursement, per officer, shall not exceed monthly and/or annual limits established annually by the Federal fiscal year running from October 1st of the year through September 30th of the following year, unless changed during the period. The FBI reserves the right to change the reimbursement limits, upward or downward, for subsequent periods based on fiscal priorities and appropriations limits. The FBI will notify the agency of the applicable annual limits prior to October 1st of each year.

5) The number of agency officers assigned full-time to the task force and entitled to overtime reimbursement by the FBI shall be approved by the FBI in advance of each fiscal year. Based on the needs of the task force, this number may change periodically, upward or downward, as approved in advance by the FBI.

6) Prior to the submission of any overtime reimbursement requests, the agency must prepare an official document setting forth the identity of each officer assigned full-time to the task force, along with the regular and overtime hourly rates for each officer. Should any officer change during the year, a similar statement must be prepared regarding the new officers prior to submitting any overtime reimbursement requests for the officers. The document should be sent to the field office for FBI review and approval.

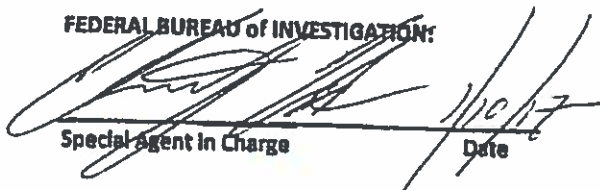

7) Each request for reimbursement will include the name, rank, ID number, overtime compensation rate, number of reimbursement hours claimed, and the dates of those hours for each officer for whom reimbursement is sought. The request must be accompanied by a certification, signed by an appropriate Supervisor of the agency, that the request has been personally reviewed, the information described in the paragraph is accurate, and the personnel for whom reimbursement is claimed were assigned full-time to the task force.

8) Each request for reimbursement will include an invoice number, invoice date, taxpayer identification number (TIN), and the correct banking information to complete the EFT. The necessary banking information is the Depositor Account Title, Bank Account Number, Routing Number, and Type of Account (either checking, savings, or lockbox). If the banking information changes, a new ACH Vendor/Miscellaneous Payment Enrollment Form must be submitted to the FBI.

9) Requests for reimbursement must be received by the FBI no later than December 31st of the next fiscal year for which the reimbursement applies. For example, reimbursement for the fiscal year ending September 30, 2009, must be received by the FBI by December 31, 2009. The FBI is not obligated to reimburse any requests received after that time.

10) This agreement is effective upon signature of the parties and will remain in effect for the duration of the agency's participation in the taskforce, contingent upon approval of necessary funding, and unless terminated in accordance with the provisions herein. This agreement may be modified at any time by written consent of the parties. It may be terminated at any time upon mutual consent of the parties, or unilaterally upon written notice from the terminating party to the other party at least 30 days prior to the termination date.

NOTICE OF LIMITS
FOR
FY 2024 STATE AND LOCAL OVERTIME REIMBURSEMENTS

Subject to the availability of funding and legislative authorization, the FBI may reimburse state and local law enforcement agencies (LEA) for the cost of overtime incurred by officers assigned **full-time** to FBI-managed task forces provided the overtime expenses were incurred as a result of task force-related activities. Consistent with regulation and policy, a separate Cost Reimbursement Agreement (CRA) must be executed between the FBI and the LEA, **and** an underlying Memorandum of Understanding (MOU) must exist in support of the task force relationship.

For **fiscal year 2024**, the maximum limits for reimbursements under these CRAs are **\$1,725.62** per month and **\$20,707.50** per year for each officer assigned **full-time** to the task force. These limits are effective for overtime worked on or after October 1, 2023.

These reimbursements are limited to eligible officers' direct overtime salary expenses and shall not include any costs associated with the LEA's indirect expenses or officers' benefits such as retirement, social security, and similar related expenses.

FBI field offices and state and local law enforcement agencies may process overtime reimbursement requests under formally executed CRAs in accordance with the authority of this notice. This notice is issued unilaterally by the FBI's Budget Officer and does not require formal acceptance and signature by FBI field offices and state and local law enforcement agencies.

This notice does **not** represent an authorization to obligate or expend funds. The actual amount of overtime expenses that can and should be approved for each task force officer is also dependent upon the availability of funding and operational necessity.

MEMORANDUM

To: Mercedes Salinas, Attorney for the Civil Service Commission
Esther Cortez, Civil Service Secretary
From: Valorie C. Glass
Date: March 13, 2014
Subject: Request for Approval of wording for Chapter 7 of the Hidalgo County Civil Service Commission Rules

On or about March 24, 2003, the Hidalgo County Commissioner's Court discussed and took action to change the regular work period of Hidalgo County law enforcement personnel from 86 hours a week to 80 hours a week. On April 10, 2003, the change to the designated work period was memorialized and disseminated to the law enforcement and adult detention personnel of the HCSO. Additionally, the County Auditor gave notice of the change to all elected officials and department heads on April 17, 2003. [See attached] We submit and request approval of proposed language for the Hidalgo County Civil Service Rules to reflect the 2003 changes as follows:

- 7.02 There are 40 regular work hours in a seven day work period and 80 regular work hours in a fourteen day work period. In the event of a conflict between the work hours rules set forth in Section 7.01 through 7.08 hereof for Head Start Program employees, the work hours set forth in the County's approved grant application for operation of the County's Head Start Program shall control. (Amended March 24, 2003).
- 7.09 The Fair Labor Standards Act ("FLSA") is the federal law which governs overtime compensation for employees covered by the provision of that Act. Most County and/or District non-management employees are covered by the overtime compensation requirements of the FLSA. An FLSA covered employee receives: (i) time and one-half compensation; or (ii) compensatory leave of one and one-half hours, for each hour physically worked in excess of 40 hours for employees with a seven (7) day work period and 80 hours for those employees with the fourteen (14) day work period. Hours for which an employee receives pay, such as paid leave and holiday hours, but which are not physically worked, are not considered hours worked for purposes of calculating FLSA overtime. (Amended March 24, 2003).

[The following 2 sections were switched and re-numbered.]

- 7.48 An FLSA covered employee earns Compensatory Leave for overtime hours worked when the employee physically works more than 40 hours if the employee has a seven (7) day work period or 80 hours if the employee has

a fourteen (14) day work period. When this occurs, the employee is credited with leave calculated at one and one-half time (converted overtime) for each hour of overtime. (Amended March 24, 2003).

- 7.49 Compensatory Leave on an hour for hour basis, for an FLSA covered employee, is earned by any employee, including law enforcement personnel, when the total of hours actually worked is less than 40 hours for an employee who has a seven day work period or 80 hours for an employee who has a fourteen day work period, but the total of such hours actually worked, plus paid leave used, and official holiday hours, exceeds 40 hours for an employee who has a seven day work period or 80 hours for an employee who has a fourteen day work period. (Amended March 24, 2003).
