Re: Organizational Chart

Attached is the most updated Organizational Chart which shows a diagram that graphically represents the Hidalgo County Head Start Program's structure, highlighting the different jobs, departments, and responsibilities that connect the program's employees to each other and to the management team. The chart has been updated to include revisions from the Change in Scope Model. It also includes new positions that will be presented to the Policy Council for approval at the next regular meeting on Wednesday, October 18, 2023.
