SPIRIT OF BLUE

October 3, 2023

Sgt. Christopher Barrera
Hidalgo County Constable's Office Pct 4
1212 S. 25th Street, Suite B
Edinburg, TX 78539

Dear Sgt. Barrera,

The Spirit of Blue Foundation 501(c)(3) is pleased to inform you that the Hidalgo County Constable's Office Precinct 4 has been selected to receive a Safety Equipment Grant in the form of tourniquets and holders for your deputies. The equipment will be sourced directly from North American Rescue by Spirit of Blue and will be donated to your agency.

This grant is co-sponsored by generous donations from both Law Enforcement United (LEU) and Guardian Angel Devices. LEU is a national organization of active and retired law enforcement officers, along with surviving family members of lost officers, who raise money and ride an average of 250 miles on bicycles into Washington, DC each year for National Police Week to honor fallen officers.

Sportsmen Organized for Law Enforcement (SOLE) also participated to make this grant possible.

The grant includes:

- Twenty-Two (22) Gen7 C-A-T Tourniquets, Black (North American Rescue)
- Twenty-Two (22) RIGID TQ Case for MOLLE, Matte Black (TEKLOK) with Black/Blue Patch (Eleven 10)

The value of the grant being awarded is \$1,595.56. Nothing additional will be provided as part of the grant.

In keeping with the Spirit of Blue's mission of enhancing officer safety and vitality through meeting safety equipment and training needs, this grant is intended to provide the necessary equipment for your deputies to be protected from threats while serving their community.

In order to properly utilize the granted medical equipment, it is incumbent upon the receiving agency to provide the proper training to each individual deputy who will be receiving a tourniquet.

Spirit of Blue Foundation will replace any tourniquet that is used in the line of duty, whether on an officer or member of the community, for the duration of the deputy's service. We do this so that no deputy who uses their tourniquet on duty will have to go without one in the future. In order to claim a replacement tourniquet, the agency must simply contact Spirit of Blue and provide a redacted copy of the report citing how the tourniquet was applied.

SPIRIT OF BLUE

Again, congratulations on your agency being selected. We are hopeful that the use of this grant aids greatly in the safety of your deputies and the effectiveness of your agency.

Sincerely,

SAFETY GRANT PROGRAM ELIGIBILITY

Thank you for your agency's interest in being considered for a Spirit of Blue Safety Equipment or Training Grant. Attached to this sheet is a submission form that will aid you in submitting information for consideration. While we are not able to approve all requests that are received, we review all submissions for their potential impact on officer safety, financial hardship of the agency and the Foundation's ability to meet those needs with its resources and partnerships.

QUALIFYING SAFETY CATEGORIES

All requested equipment or training must have a clearly articulated Officer Safety impact. The Spirit of Blue has defined 15 safety categories that it will grant towards:

Protecting Life	Ballistic Protection, Medical Supplies, Safety Training, Traffic Awareness and Sensory Protection
Projecting Force	Lethal Force Options, Less-Lethal Force Options, Target Acquisition, Illumination and Firearms Accessories
Creating Advantage	Operational Gear, Communications, Footwear/Apparel, Intelligence Gathering and Security Solutions

GRANT FULFILLMENT

The Spirit of Blue rarely provides a cash award to a receiving agency. Instead, the Foundation will coordinate with the manufacturer, distributor or provider of the good or service being awarded and will donate the product or service to the receiving agency. Agencies who receive a Spirit of Blue grant are generally ineligible to receive additional grant funding for a two (2) year period.

PROCESS DURATION

Agencies that submit for consideration will remain in the Spirit of Blue database indefinitely. There is no need to re-apply, but agencies may update their need statements as their situations change. Grants are awarded year-round based on availability of funds and coordinating partner support. Grants are not fulfilled until they are officially accepted by the agency, which may include approval from their local governing authority (city council, county commission, etc.). This process can take as short as a few weeks and has taken up to 12-18 months for some agencies to obtain. The Spirit of Blue will work with agencies to navigate their individual process for acceptance. A grant will not be withdrawn once awarded, unless the agency's local governing authority refuses the award or the grant is not accepted within 24 months of its award.
