

PRESIDENT'S WELCOME

Welcome to the County & District Clerks' Association of Texas!

Mission Possible is your theme for the year.

This year CDCAT welcomed over 60 new Clerks. If you're a new clerk, are you wondering what you got yourself into? The good news is that you are in great company. We have all been there and some of us are still there on any given day. The Association is here to remind you that you were made for this job and we are here to help make your Mission Possible.

Each Clerk across the State have separate missions that we want to accomplish in our office. I hope that each of you have had some time to think about what you want to do in your office going forward. Some of those things may include perfecting customer service, purchasing new software, learning how to be a better leader within your office or hiring the best person for your office. The list goes on and on and you've come to the right place. The County & District Clerks' Association is here for you.

The mission of The County & District Clerks' Association is to equip you with training and education to help you accomplish your mission. Each conference throughout the year is planned with you in mind. It's our job to help you believe in yourself and to help you accomplish your mission.

Additionally, our Association offers many opportunities to learn and grow and we encourage you to get involved. If you have questions about those opportunities, please visit with a member of the Executive Board, Board of Directors or anyone else who is currently involved in a committee. This is your chance to grow and meet other Clerks across the great State of Texas.

The County & District Clerks' Association looks forward to helping you make your *Mission Possible!!*

Sincerely,

Julie Smith

Potter County Clerk

CDCAT President 2023-2024
