Good afternoon Virginia,

Please have this added to the agenda for the next Commissioners Meeting. Legal has approved the wording.

[Discussion, consideration, and possible action regarding approval of a proposed Tax Abatement Agreement between Hidalgo County and Anemoi Energy Storage, LLC](#)".

Thanks,

Gene,

At our last Board meeting Project Anne was approved to continue as written. We need to finalize it, below is the suggestion from Plus Power, is that ok with you?

Thanks,

Dear Juan and Isaac,

Thank you again for your concerted efforts to assist the Plus Power Team in getting tentative agreement approval from the Commissioners Court for our Anemoi BESS project. We appreciate your assistance!

In anticipation of the final agreement approval meeting on November 28th, may I offer the following language to set for the agenda item:

“Discussion, consideration, and possible action regarding approval of a proposed Tax Abatement Agreement between Hidalgo County and Anemoi Energy Storage, LLC”. Please let me know if this language works for you all.

Lastly, although the court specifically stated that the Plus Power / Ernst & Young Team need **NOT** be in attendance during the November 28th Commissioners Court, we’re absolutely committed to being at the County’s service and will attend meeting if needed and/or requested. Please do not hesitate to ask.

I appreciate you both and please let me know if there is anything else you need from me at this time.

Thanks again and we’ll talk soon!
