Project Description

The Hidalgo County Precinct 2 Las Milpas Rd. Stormwater Project Management Project will enhance stormwater infrastructure to address any health disparities that may have been exacerbated by the COVID-19 public health emergency. This project will take place on Las Milpas Rd. between 10th St and McColl Rd. to manage, reduce, and recapture rural stormwater. The expanding infrastructure to equip systems to effectively prevent flooding in areas with low foundation levels. This project will control non-point sources of pollution and prove the resilience of infrastructure to severe weather events and protect water bodies from pollution.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible stormwater project. Efficient stormwater services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.
