Important Notice:

- Any delivery requirements in the original quote request are subject to product availability
- Unless GPO eligibility was provided by customer to the Mckesson sales representative, this quote is not based on GPO pricing
- Quote valid for 30 days
- Equipment items may require a 4-6 week lead time unless a specific timeframe is specified
- Drop-ship items ship directly from vendor
- To place an order based on this quote, please reply to your Account Manager
- Large PPE order and Covid Test Kits are not eligible for return, unless such return is the result of a recall or defective condition.

- The pricing provided is contingent on standard commercial shipping, labeling, and marking requirements within the continental United States
- Product availability is based on inventory at the time of order and subject to restrictions imposed by manufacturers
- Mckesson is not a manufacturer of items and therefore is not able to prevent industry-standard supply chain issues such as manufacturer backorders, discontinuations, or allocations due to high demand or short supply. Additionally, Mckesson will provide the products offered in our quote unless Mckesson is contractually prohibited by the manufacturer to provide said products.
- Please note that taxes or fees may be added upon receipt of order and applied to your final invoice. Please contact your account manager to update your tax exemption status or to address questions regarding additional fees, such as freight, special orders and drop-shipment.
- Items marked with VA FSS or GSA MAS indicate contracted items. Items without this indicator are open market items. A full list of items can be accessed at mckesson.com/fss.
