Good afternoon Mike—

Sorry for the delay in responding to the question; this afternoon has been a tad hectic. I was able to confirm that there is NOT a match requirement for this grant agreement.

Please let me know if you have any additional questions. Have a wonderful weekend. Stay safe and warm!

Respectfully,

Hello Fred,

Thanks for the update; Just one more question. Do you know if this funding will require a 10% local match?

Good morning Mike—

We are still waiting on the release of funding. However, in an effort to expedite the contract development process once the funding has been released, and in preparation of a formal ask, Program has requested that you begin preparing the budget for the event in the amount of \$175,000.00. Please complete this and return by January 19, 2023 at the latest.

Please let me know if you have any additional questions. Thank you in advance for your patience.
