Requesting an extension to fully utilize funds for the following two reason

- 1) Sky-watch tower is scheduled to be delivered and invoice at the end of April early May. I would like an extension to ensure we have time to receive and invoice the equipment in case their is an issue with the supply chain or the vendor is unable to deliver on said timeline. The equipment is custom made and this could result in timeline constraints.
- 2) After FRAG is approved by FEMA. FRAG includes the purchase of equipment, as well as OT for deputy, and we will need additional time to complete proper purchasing procedures

Please complete the **Adjustment Request**, and then click the **Create an Adjustment Request** button to submit your request to OOG.
