RE: County: Hidalgo  
RCSJ No. 0921-02-406  
Parcel No. 67  
Cesar Chavez Phase II: From: Business 83 To: Nolana Loop

Dear Commissioner Cantu:

Attached herewith is a counter-offer as submitted by Mr. Hector G. Salazar and Mrs. Adaleni Salazar, owner of Parcel 67 on January 31, 2024. L & G Engineering has reviewed the aforementioned and hereby recommends that counter-offer be approved. Also attached is the N-9, Administrative Settlement Evaluation and Approval Form.

L & G Engineering believes the counteroffer is a valuation, legal, and cost savings issue. More importantly, due to recent court awards on similar projects and the cost to litigate through the Special Commissioners' Hearing, we recommend that the counter-offer of \$11,495.00 be accepted.

Please review these documents and feel free to contact me at (956) 585-1909 if you wish to discuss this matter personally.

Sincerely,

Fernando "Fred" Herrera

\*\* The following documents have been considered and are incorporated by reference: appraisals, appraisal review form, owner's counteroffer and supporting documentation, negotiator's log, and \_\_\_\_\_

**Analysis and Conclusion:**

Our  approval/  disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Parcel 67 is a partial acquisition containing 1,952 sq. ft. parcel of land situated in Hidalgo County, Texas and also being a part of a certain 9.21 of an acre tract out of Lot 4, Block 39, ALAMO LAND AND SUGAR COMPANY'S SUBDIVISION. On December 15, 2023, Acquisition Provider, L & G Engineering, made an offer of \$8,995.00 to property owners Hector G. Salazar & Adaleni Salazar, via certified mail. On January 31, 2024, Mr. & Mrs. Salazar, submitted a counter offer for \$11,495.00. In their counter offer they stated that their improvement (Fence /Gate) will need to be removed and replace further into the property, so that they will have the same utility upon entering and exiting their property with Mobile Homes. This will need them to extend the electrical wiring, and require the motor to the fence to be moved. All of which will add additional expenses to become whole again. They did mention in the counter offer that if the their counter offer is considered, they are willing to finalize this transaction for the purchase of this parcel. Based on the information provided within the the counter offer and discussion by the acquisition team it is recommended that the Administrative Settlement be approved. The difference between the approved value versus the property owner's counter offer (difference of \$2,500.00) does not warrant the risk and added expenses associated with standard eminent domain proceedings. Accepting said counter offer will help avoid project time delays, and associated condemnation proceedings, thus resulting in a cost saving to the county.

This administrative settlement of \$ 11,495.00  is /  is not recommended for approval as being reasonable, justified, prudent and in the public interest.

Dear Ms. Novelia Sanchez,

We reject the original offer of \$8995.00. We feel the original offer is under valued. In order to move fence we would have to add onto the existing fence so that we ensure we have the same access area for the entering and exiting of mobile homes and the heavy equipment. Adding unto the fence will also require the electric motor to the fence to be moved; which will require the electrical wiring to be extended. All of which will be extra expenses that we feel were not considered fully in the initial offer. We are going to counter offer for \$11, 495.00. If the county considers and approves this amount, we are willing to finalize this transaction for the purchase of our parcel.

Sincerely,

Hector G. Salazar and Adaleni Salazar  
1925 N Cesar Chavez Road  
San Juan, Texas 78589

Dear Mr. Hector G. Salazar and Mrs. Adaleni Salazar:

In acquiring property for the highway system of Texas, the Texas Department of Transportation (the "Department") and Hidalgo County (the "County") follow a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Novelia Sanchez, a portion of your property located on Cesar Chavez Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you **\$8,955.00** for the Property, which includes **\$7,955.00** for the Property to be purchased and **\$1,000.00** for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of the property to be acquired, as determined in accordance with State law, less oil, gas, and sulfur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the Department/County to negotiate with the fee owner(s) of the Property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the Department/County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real Property. Since the improvement(s) must be removed, it is the policy of the Department/County to permit owners who convey voluntarily to the State to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real Property by eminent domain.

	<u>Improvement</u>	<u>Amount to be Subtracted if Retained</u>
A.	Fencing – Iron	\$1.00
B.	Driveway – Caliche	\$1.00

If you wish to accept the offer based upon this appraisal, please contact Novelia Sanchez, as soon as possible, at (956) 585-1909 so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. *Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department/County within the 30-day time deadline.* In the event the condition of the Property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire the Property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the Property for use by

the Texas Department of Transportation/Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes, and similar expenses incidental to conveying the real Property to the County, and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real Property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department/County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's/County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the State's Relocation Assistance Program. It is emphasized, however, that any benefits that you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "*Relocation Assistance*", which will inform you of eligibility requirements, payments, and services that are available.

You have the right to discuss with others any offer or agreement regarding the Department's/County's acquisition of the subject Property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply.

Please see the enclosed copy of the proposed instrument that will convey the Property and any improvement owned by you on the Property to the Department. Additionally, please see the enclosed copy of the Texas Landowner Bill of Rights.

Also enclosed is a copy of the Texas Department of Transportation brochure entitled "*Right of Way Purchase*", which we trust will give you a better understanding of the procedures followed by the Department in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Ms. Novelia Sanchez at the telephone number provided above regarding any questions you may have.

Please see the enclosed copy of the Texas Landowners' Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your Property being acquired, which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the state/County, including the appraisal on which this offer is based.

Sincerely,

That it is my opinion the total compensation for the acquisition of the herein described property is \$8,955 as of October 2, 2023, based upon my independent appraisal and the exercise of my professional judgment;

A breakdown of the total compensation is as follows: Land owned by Hector G. Salazar and Adaleni Salazar to be \$6,539.00, the improvements owned by Hector G. Salazar and Adaleni Salazar are \$1,416.00 and the cost to cure the damages is \$1,000.00 totaling \$8,955.00.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The report prepared by the appraiser Leonel Garza III is an Appraisal Report presented on TxDOT form ROW A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' opinion and conclusions appear to be well supported by information contained within this appraisal report. It is recommended that the total value of \$8,955.00 be approved for negotiations and acquisition.

**Reviewing Appraiser's Statement**

It is my opinion that the appraiser's report for this parcel appears adequately supported and in compliance with all appropriate appraisal standards, laws, and regulations, and I recommend this appraisal for use by the appropriate Agency Official and his/her assigns. I have no direct or indirect present or contemplated future personal interest in such property or in any benefit from the acquisition of the parcel. To the best of my knowledge, the value does not include any items that are not compensable under State law.
