Hello Azael Munoz,

Thank you for contacting Lab Excellence Mailbox.

We cannot comply with your request as we are not a vendor or supplier. The CLIA Program is a federally mandated Certification Program. Facilities requesting participation in the program must apply for and pay fees for their certificate and inspections. Failure to pay may result in the termination of the certificate.

Kind regards,

—Sunday

Good morning CMS,

I have sent several emails regarding [sam.gov](https://www.sam.gov) as we are a federal grant and we need all vendors to be registered according to CFR.200. Last time someone provided us that not sure if you have access or not.

Please do not hesitate to reach out to me if I can help you further.

I hope you have a nice day.
