Juan,

Good morning.

I had back from Jeffrey a couple of days ago, and he was good with the changes to the proposed order clarifying the County's participation in the Tres Lagos TIRZ. I have put together an executable version for the court to approve. I'm assuming that you will need to put this on the agenda to have the court ratify the action that was taken back in April 2016 but never executed. If so, please go ahead and put this on the next agenda.
