Subject: Buyboard - Fonroche

Pedro,

Nice speaking with you earlier. Please find attached BuyBoard price list. I have also attached our proposal number.

The project that we are doing with you involves the first catalog product on this sheet. It is the power center with the 626Wh on it. Please let them know that the price of the system is not based on the pole, but the size of the system we are using.

Please let me know what they say.

Ryan
