Pedro

The attached proposal is within the parameters of the vendor's awarded contract.

If you elect to proceed with this purchase, you must submit a purchase order ("PO") or fully executed contract that identifies the awarded vendor and TIPS Contract number, with the applicable quote, to tipspo@tips-usa.com. Upon receipt and processing of the PO and quote, a TIPS confirmation letter will be issued to you.

Please note that the vendor's failure to report TIPS purchases could result in breach/termination of the vendor's contract and prevent the Member from achieving a compliant purchase under Texas law. Members should also report TIPS transactions to ensure proper documentation for audit purposes.

While TIPS does all that it can to comply with and exceed the bidding requirements for most public entities, because the laws applicable vary by entity-type, location, spend amount, purchase type, and the purchaser's local policies, TIPS cannot legally advise any Member/End-User when a TIPS purchase is appropriate. It is always up to the Member/End-User to review our processes and determine if we meet their needs for any particular purchase or entity.

Good Afternoon

We received the attached quote from Texas Chiller Systems for the replacement of a Wall Pack DX System and we would like to know if we may have a "Confirmation only" compliance check that pricing is in accordance with TIPS?

I'll appreciate your help on this matter.

If you have any questions or concerns, please let me know.
