Dietetic Internship (DI) – This pertains to funding for local agencies that have an employee participating in the Texas WIC Dietetic Internship.

- The intern's regular salary continues to be a WIC allowable expense throughout the eight months of the internship. Continue to pay the employee as you normally would.
- Assistance for hiring a replacement employee:
 - Local Agencies (LA) with staff participating in the Texas WIC Dietetic Internship can request funding in an amount up to 90% of the intern's salary and benefits (this percentage may change from year to year, depending on the State WIC NECS unit director's discretion.)
 - The purpose of the replacement employee funding is to off-set the cost of hiring a temporary replacement to fill-in while the intern is completing the internship for seven months (January through July).
 - In-order-to receive this extra funding, the LA will need to hire a replacement employee, but if a replacement is not hired, the State Agency will not provide this funding.
- Assistance for intern's expenses:
 - Upon request, the State Agency will also provide \$1,500 to the LA exclusively for reimbursing the intern for travel and other expenses related to the internship (books, etc.).
 - If requesting this funding, the LA is required to use this \$1,500 to reimburse the intern for expenses.
 - The LA may provide additional reimbursement to the intern, over the \$1,500, at LA discretion, from the LA's existing budget if funds available.
 - All internship expenses are "WIC Allowable."
- Funding Process:
 - To receive the Dietetic Internship funding described above, complete and submit the financial assistance request form. The dietetic internship director will provide this form to the LA director once an employee is accepted into the internship.
 - Funding of \$50,000 will be included in the WIC Initial funding letter for all applicants to the DI Program. However, once the candidates are selected, the SA will adjust the funding to align with the submitted and approved financial assistance request forms. Local agencies whose applicants were not selected would see a removal of the initial \$50,000 funding in their ensuing Revised Notice of Funding.
 - Bill for the \$1,500 intern expenses (travel, books, etc.) and for the replacement employee funds, on a separate invoice.
 - Label the invoice: "DI" and allocate the expenses to the Nutrition Education (NE) category.

Reimbursement of Dietetic Internship requires the use of the DI Invoice template. As indicated below, under “20. Description of Goods and Service” column, if possible, please use the indicated Invoice ID framework and allocate to NE category as indicated under the “22. Unit Price” column
