You, HIDALGO COUNTY (Customer) have requested AEP Texas (Company) to install/construct certain electric distribution facilities (hereinafter referred to as "Facilities") as follows: Designer Agrees to install OH Facilities to serve new street lights @ Los Naranjos Subdivision Phase II

The cost for construction/installation of the requested Facilities will be in excess of what would normally be provided by Company at no additional cost to the Customer to initiate service. In accordance with the Company's approved Tariff, as filed with the Public Utilities Commission of Texas, the Customer agrees to pay Company a one-time, non-refundable, Contribution-In-Aid-Of-Construction (CIAC) in the amount of 1,248.14. The Customer understands that he/she receives no ownership or control of the Facilities by virtue of the payment of the CIAC. Should Customer alter the request for facilities, or request a delay in (or is otherwise unable to take service by) the stated In Service Date, the Company reserves the right to update the pricing and require an additional CIAC payment to reflect any increases in cost due to the alteration in requested facilities or the delay in taking service, or both.

Nothing contained herein shall be construed as a waiver or relinquishment by Company of any right it has or may hereafter have to discontinue service for default in the payment of any bill owing or to become owing hereunder or for any reason or cause allowed by law.
