[Recruit Holdings Co., Ltd. Overview](#)

Recruit Holdings Co., Ltd. provides HR technology and business solutions that transforms the world of work. It operates through three segments: HR Technology, Matching & Solutions, and Staffing. The HR Technology segment provides various technological solutions that help job seekers and employers in navigating hiring and recruitment. The Matching & Solutions segment offers HR solutions that support business clients' recruiting and hiring activities and individual users' job search activities through its job advertising services and placement services. This segment also provides marketing solutions that provide matching platforms for businesses in various industries, including housing and real estate, beauty, bridal, travel, dining, and others, as well as SaaS solutions, which are business and management support tools for small and medium-sized companies. The Staffing segment provides temporary staffing services in Japan,...
