 Active today

Connect with millions of active job seekers

Match instantly

Get a shortlist of quality candidates based on information collected from job seekers across different industries, skills, and education.

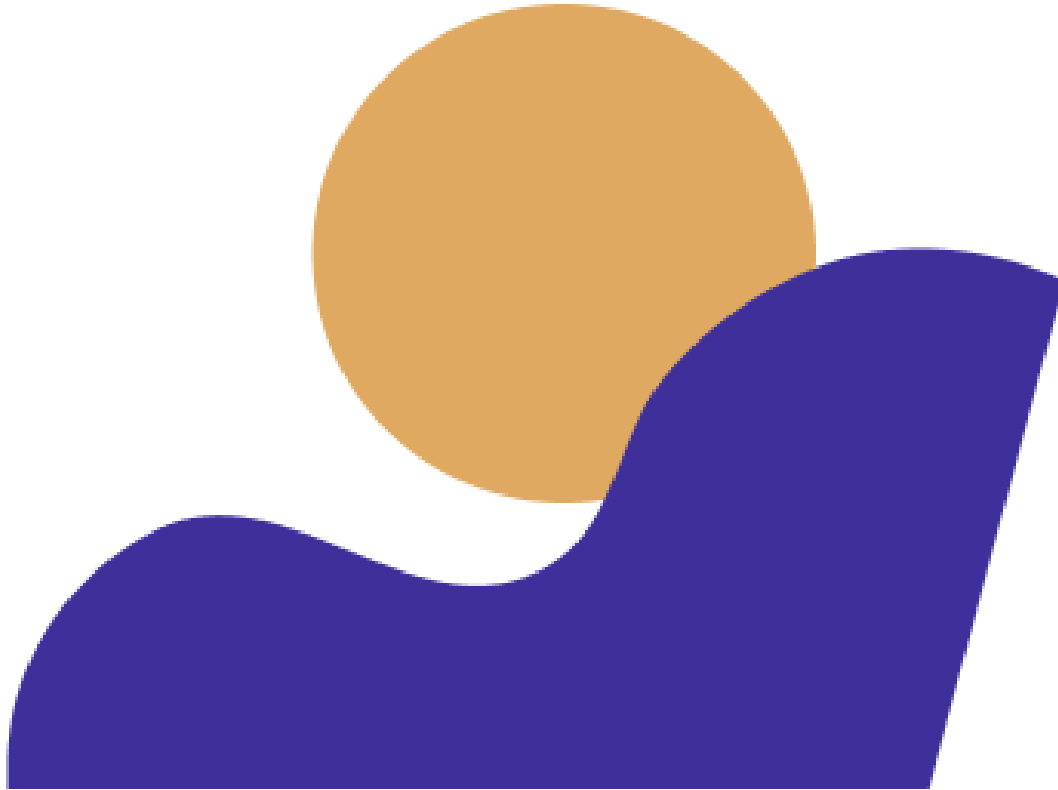

Connect quickly

Immediately contact and interview candidates via messaging, text (SMS), or video from your desktop or Indeed Connect for Employers mobile app.

Work seamlessly

Collaborate more efficiently and make decisions faster by sharing candidate information and activity across your team.

With more than 580M Job Seeker Profiles, you can find people with the skills and experience you need. [\[1\]](#)

Smart Sourcing feature highlights

Matched candidates

Instantly receive and evaluate quality candidates matched to your unique job criteria.

Customizable messages

Quickly create customized contact templates and generate AI-powered messages based on the candidate's resume and your job description. [\[2a\]](#)

Candidate summaries

Streamline the evaluation process using AI-powered candidate summaries that highlight skills or gaps. [\[2b\]](#)

Unlimited search

Find talent for hard-to-fill roles using search functionality, including Boolean search.

Team collaboration

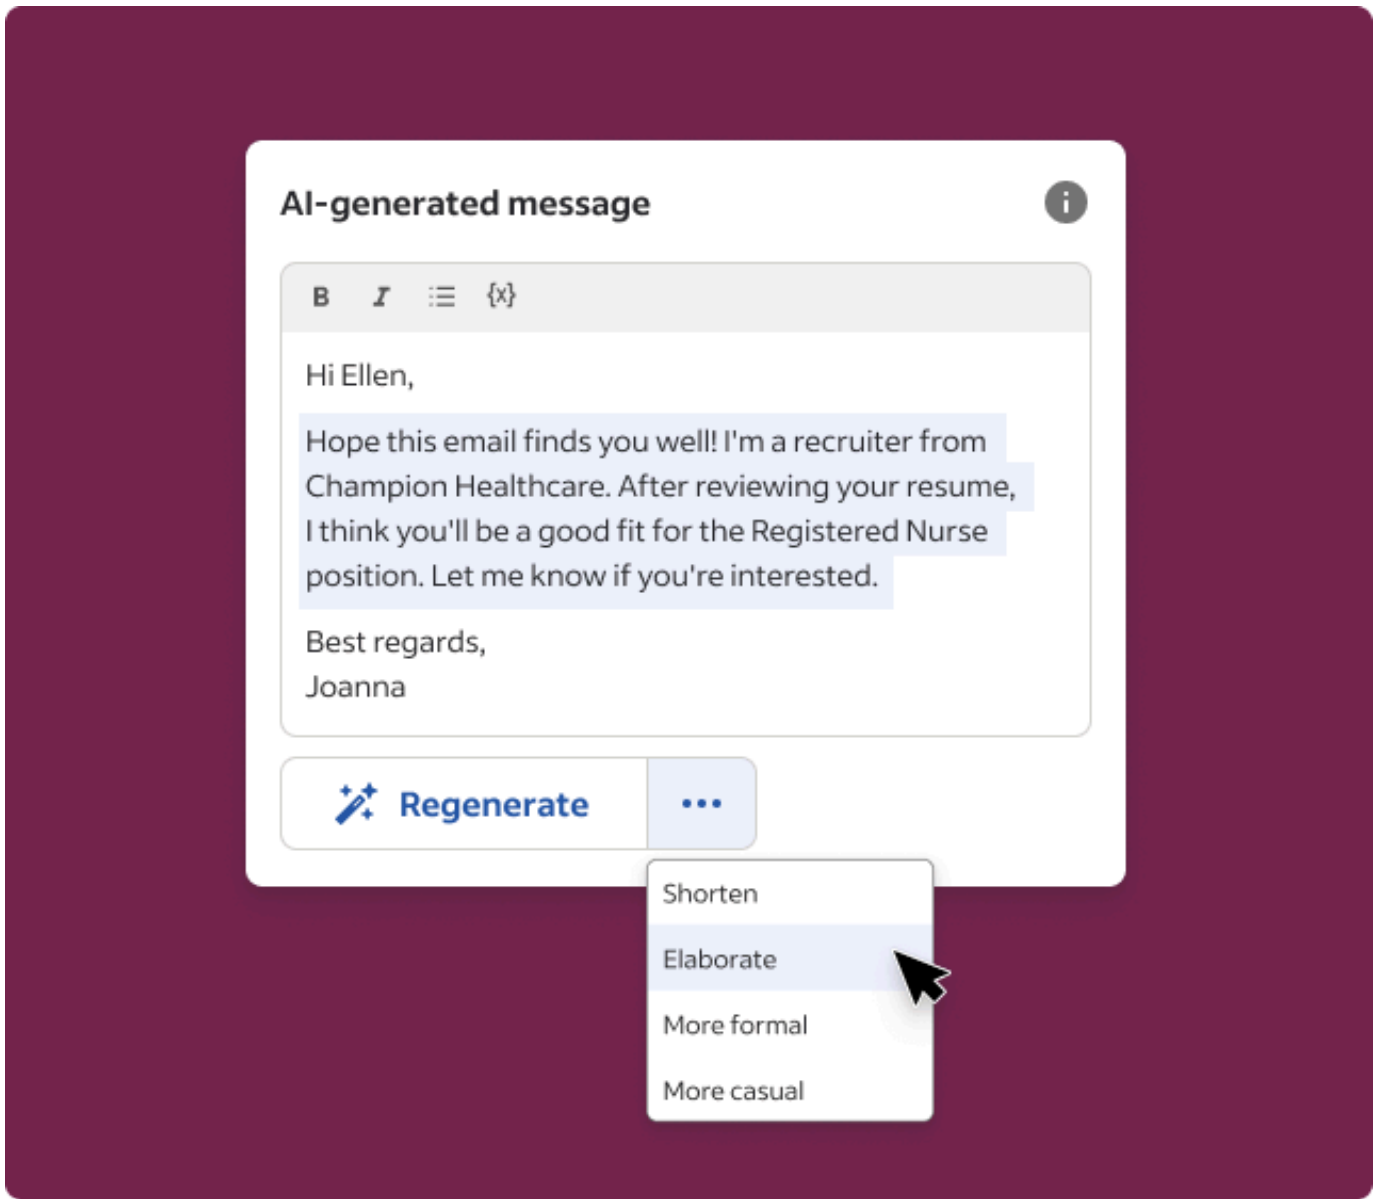

Share candidate information and activity with your team and hiring managers. Invite hiring managers into shared projects, even if they don't have a subscription. *Professional subscription only.*

ATS integration

Increase efficiency by automatically syncing candidates to your ATS (Workday, iCIMS, and Greenhouse). *Professional subscription only.*

Admin management

Invite new users, assign subscriptions, and monitor recruiter adoption and activity from the administrative dashboard. Streamline account creation and skip verification, even opt to automate subscription permissions, when you use [Indeed Single Sign-On](#).

Compare subscriptions

Choose subscription options that give you the flexibility to meet your organization's changing hiring demands.

Standard

\$120/month \$1,150/year

Best for occasional hiring (1 to 11 per year)

[Show Features](#)
