NARRATIVE

While on patrol I was dispatched to a burglary of vehicle. I made contact with V1. V1 informed me that his front passenger side window was busted, and that S1 took V1's wife's purse. I observed the window broken. I contacted the above listed location management and was able to view camera footage from the parking lot. I observed S1 park next to V1's vehicle and exit his/her vehicle. S1 then gets out of his/her vehicle and appears to move alongside V1's vehicle before getting back into his/her vehicle. S1 remains next to V1's vehicle and waits a couple minutes before gaining access to V1's vehicle by shattering the passenger window. S1 is observed getting back into his/her vehicle and then leaving the above location.

V1 was given a case card and follow up unit information. UEDI Liles #2002 processed for prints. No further action taken BWC and MVR were activated.
