

## MEMORANDUM

TO: Richard Cortez, Hidalgo County Judge

FROM: Roy Rodriguez, P.E.

DATE: February 1, 2025

RE: Termination of Consultant Contract

---

As discussed recently, please accept this letter as notice of intent to terminate agreement for consulting services between Hidalgo County and Roel Rodriguez, P.E. in accordance with said agreement.

I have enjoyed my short time here working for you, Isaac and the Commissioners Court, but it has become obvious that your appointment of me to the Hidalgo County Regional Mobility Authority is at odds with this consultant agreement. As you know, the General Counsel of the HCRMA has opined that my agreement with the County creates a conflict with the appointment.

Therefore, in order to serve as your appointment to the HCRMA and to be able to participate with all rights and privileges afforded by such appointment, I am terminating my services as a consultant with Hidalgo County.
